

Specialist EOD/IEDD Equipment Smart Hand Tools

Allen-Vanguard's focus on engineering creativity, operational precision and performance value is highlighted in its established range of EOD hand tools and accessories.

THE DUAL CAP CRIMPER:

Allen-Vanguard's Dual Cap Crimper is a high quality non-magnetic, non-sparking tool that offers a dual crimp in one stroke. Manufactured from high strength aircraft aluminum, the crimper has a hard anodized finish. Its strong, smooth surface has durable edges for continuous crimping. The Dual Cap Crimper has a powder punch and fuse cutter for clean precise cuts of detonation cords.

Allen-Vanguard's Dual Cap Crimper is the only dual cap crimper approved and used by both the United States and Canadian militaries. With its perfect record to date, the Dual Cap Crimper surpasses all expectations for quality and reliability, and comes with a lifetime warranty, attesting to its strength and excellence in craftsmanship.

The only Dual Cap Crimper approved for use by both United States and Canadian militaries.
